

26 List of High-Dose Worker Groups¹

26.1 High, Medium, and Low Dose Work Groups at PWR Plants

	WORK GROUP
HIGH	Maintenance Technicians Boiler Makers Health Physics Technicians Welders Pipefitters
MEDIUM	Quality Assurance Technicians Chemistry Technicians Riggers In-Service Inspectors Millwrights
LOW	Radwaste Handlers Electrical Technicians Auxiliary Operators Decontamination Workers Fuel Handlers Reactor Operators Stationmen

26.2 High, Medium, and Low Dose Work Groups at BWR Plants

	WORK GROUP
HIGH	Pipefitters Welders Health Physics Technicians Millwrights Boiler Makers
MEDIUM	Riggers Maintenance Technicians Radwaste Handlers Decontamination Workers Chemistry Technicians
LOW	In-Service Inspectors Auxiliary Operators Quality Assurance I&C Technicians Electrical Technicians Reactor Operators Stationmen
