12th NUMUG Meeting

25-27 June 2008

Charlotte, NC

MEETING OVERVIEW

The Twelfth Nuclear Utility Meteorological data Users Group (NUMUG) meeting is being held at the Westin Charlotte Hotel in Charlotte, NC during Wednesday 25 June 2008 through Friday 27 June 2008. This technical development meeting includes papers and panel discussion presentations, combined with ample opportunities for group and individual information exchanges on meteorological monitoring and operations related to nuclear-powered electric generating facilities. The NUMUG meeting follows a Radioactive Effluent Technical Specifications - Radiological Environmental Monitoring Programs (RETS-REMP) meeting earlier in the week at the same location.

The NUMUG meeting begins at **1:00 pm** on **Wednesday 25 June 2008** with a RETS-REMP/NUMUG joint session; NUMUG-specific sessions will take place all day **Thursday 26 June 2008**; and the NUMUG meeting concludes at **12:00 noon** on **Friday 27 June 2008**.

NUMUG meeting attendance includes a great technical program and the following benefits:

- Wednesday night welcoming dinner;
- Thursday morning breakfast;
- Thursday luncheon;
- Thursday night picnic package for the Charlotte Knights, the AAA affiliate of Chicago White Sox, baseball game. This includes attendance at the game with the Norfolk Tides and a Southwestern Cantina Buffet. Transportation will be provided to and from the ballpark;
- Friday morning breakfast; and,
- Snacks during all breaks.
