

Biography
Kenneth G. Wastrack

Ken Wastrack is a Senior Meteorologist with the Tennessee Valley Authority in Muscle Shoals, Alabama. He received a B.S. degree in Meteorology from the University of Wisconsin-Madison in 1974. He has been a meteorologist with TVA for 37 years and has concentrated on Nuclear Emergency Preparedness and other nuclear support for more than 24 years.

He is a member of the American Nuclear Society Working Groups for both the 2000 and 2005 editions of ANSI/ANS-3.11, and ANSI/ANS-2.15.

He is a long-term member of NUMUG, serving two terms on the Steering Committee.
